

1-2-3-4 Solution Generating Tool

The problem I'm trying to solve is...

Step 1

Time yourself... You get **2 minutes** to draw (yes, I said DRAW! Avoid alphanumerics.) a solution to the problem above. Go!

Step 2

This time you get **3 minutes** to draw another radically different solution to the same problem. Go!

Step 3

This time you get **4 minutes** (yes, it should be getting tougher) to draw still yet another solution radically different from the first two to the same problem. Go!

Step 4

This is where the fun part happens. Take a look at your first 3 solutions. This time you get **5 minutes** to draw a solution mashing up the best ideas and concepts of the first 3 solutions to make your **BEST SOLUTION!** Go!

Step 5

What part of the BEST SOLUTION above can I most easily try out right away?

Step 6

After trying a part out, answer these questions:

What did I like about it?

What didn't I like about it?

What questions does this raise?

What ideas does this inspire?
